Please note: the number of accompanying helpers may not exceed the number of seats in a row or passenger car.

\* Helper must walk next to the boat

## A warm welcome to the LEGOLAND® Deutschland Resort

The safety of all our guests and staff at LEGOLAND® Deutschland is our first priority. Participation in an attraction is subject to certain conditions that must be observed by all guests on the ride.

You will find these minimum conditions on the noticeboards "Have fun safely" right at the entrance to the individual attractions. Please take special note of the height restrictions.

A member of staff will decide on the spot whether a guest may take part. Staff are also there to answer any other questions you may have.

More at: [LEGOLAND.de](http://LEGOLAND.de)

## Tips for a fabulous visit to the park

- Wheelchairs are available in the Mini Market for a deposit of 15 €
- All the **family toilets** in the park are fully accessible.
- Access for physically/mentally disabled visitors is by the exit or by the Flying Ninjago by the Express Pass entrance.
- Trained guide dogs are allowed in the park but not in the attractions.

### For your information:

We have to point out for legal reasons that you use the attractions at your own risk. LEGOLAND® accepts no responsibility whatsoever on the basis of this brochure. The advice it contains is additional information, and does not claim to be complete. No legal claims against the LEGOLAND Deutschland Resort may therefore be derived from it.

## Safety information when using the attractions

- Please note that you must get on and off an attraction by yourself. You must be able to walk at least a few steps. This is very important in the case of an emergency, e.g. if the attraction has to be abandoned by means of ladders and steps.
- People who have a disability must be accompanied by an adult.
- LEGOLAND® Deutschland Resort is unfortunately unable to provide anyone to accompany you on your visit to the park.
- Wheelchairs, walking frames and other bulky objects may not be taken into the attractions.
- Please note the additional safety information displayed at the attractions, and watch the ride before you decide to take part.

## All the safety symbols at a glance:

Visitors with certain conditions should not take part in the attractions indicated:

Attraction	Condition	Safety-symbol
<b>LEGO® CITY</b>		
<b>Airport</b> In the airport carousel, the height of the plane can be altered by using a joystick. This can be done by the helper.	Good physical health and motor skills.	④
